

## PBS NEWS: GROWTH, ACHIEVEMENTS, AND A LOOK AHEAD

**Progressive Business Solutions** is excited to announce the successful performance of our new subsidiaries, **PBS Systems** and **PBS Technics**. More than half a year since their establishment, it is evident that we made the right decision. Both companies have integrated seamlessly into our operations and are demonstrating exceptional results.

## SUCCESS STORIES OF PBS SYSTEMS AND PBS TECHNICS

**PBS Systems** has been instrumental in optimizing and digitizing production processes. Over the past six months, the **Monitor ERP** system has been implemented or upgraded in companies such as:

- **Elinta Charge** - creators and manufacturers of electric vehicle charging solutions.
- **Vilniaus baldai** - producers of high-quality furniture.
- **Ziegler (Latvia)** - manufacturers of machinery and equipment for the food industry.
- **August ir KO** - a company renowned for high-quality wastewater treatment plants.
- **Bigso Box of Sweden** - creators of stylish and functional storage solutions.
- **Fasa** - manufacturers of high-quality electrical components and systems.
- **Nordic Door** - manufacturers of high-quality doors and door systems.
- **POD Furniture** - manufacturers of innovative and ergonomic furniture.

Monitor ERP

**PBS Technics** continues to hold a leading position in the metal fabrication industry. This year, we have successfully installed **Bystronic** equipment at several prominent companies, including:

- **JSC Energofirma Jauda** - one of the largest electrical equipment manufacturers in the Baltics.
- **Exmet Group** - an innovative service company investing in modern technologies.
- **Gripsteel** - a manufacturer of high-quality metal products and structures for the Scandinavian telecommunications market.
- **Nirobalt** - a producer of custom metal components and welded assemblies.
- **Arginta Engineering** - a provider of precision machining, metal fabrication, and complex assembly services.
- **Švytėjimas** - a manufacturer of metal products and road signs.

**Bystronic**

Additionally, our service engineer Viktoras has successfully completed intensive two-week training organized by **HYUNDAI WIA Machine Tool** in South Korea. Having obtained an official certificate, Viktoras can now provide even more professional and precise service to all our clients.

## A SUCCESSFUL YEAR: BALTECHNIKA 2024, LINPRA PRESIDENCY, AND 18TH ANNIVERSARY

In May, we participated in the **Baltechnika 2024** exhibition, showcasing our solutions and taking part in the international industrial digitalization conference **Making Industry 4.0 real**. Our colleague from Sweden, **Johan Holmsten**, **Monitor ERP** Sales Director, delivered a presentation on calculating **CO2** footprint using an **ERP system**. Additionally, during this exhibition, **LINPRA** held its annual general meeting of members, where our company's CEO, **Giedrius Valuckas**, was elected to the **LINPRA** Presidium.

This year, we also celebrated our **18th** anniversary. Our entire team, along with their families, gathered in Trakai to mark this special occasion. The day was filled with joy, laughter, and wonderful memories as we shared experiences and looked forward to many more successful and innovative years. We thank everyone who has been a part of our journey. We wish you all success and new achievements!

## PBS SAILING TEAM ACHIEVEMENTS

Our **PBS Sailing Team** has achieved incredible results this season, demonstrating skill, determination, and teamwork on the water.

The season started off strong with an excellent performance at the Trakai **Galvės Taurė 2024** regatta, where the team secured third place in the highly competitive **Platu 25** class. Following this success, the team showcased their expertise at the jubilee **"Kuršių Marių"** regatta. Despite challenging weather conditions, they clinched an impressive second place in the sports yacht race.

The season concluded on a high note with the team securing **first place** in one of the races during the jubilee **"Kuršių Marių"** regatta and taking **second place** overall in the week-long competition.

We are incredibly proud of our **PBS Sailing Team's** achievements and look forward to even greater triumphs in the future!

**LOOKING AHEAD, WE ARE FILLED WITH OPTIMISM. WE CONTINUE TO INVEST IN NEW TECHNOLOGIES AND TALENTED EMPLOYEES TO ENSURE CONTINUED GROWTH AND STRENGTH.**
